Executive Summary

Dear MN CIT partners and community,

As we reflect on 2024, it is truly inspiring to see how the first responder communities; police, deputies, troopers, dispatchers, social workers, fire fighters, EMT, corrections officer, and more, have served our communities with honor, courage, and compassion. In 2024, MN CIT had the honor of training over 1300 participants through our different trainings. That's over a 600% increase from 2020! We could not have done this without the support of an active Board, a dedicated staff, and a talented pool of law enforcement presenters and coaches, and mental health presenters.

We look forward to 2025 and the challenges and gifts it will present as we continue to grow the number of participants and classes!
